Frontend Developer Resume

Phone	**+880 1521 309712**
Address	**Sherpur, Bogura-5840, Bangladesh**
LinkedIn Profile	**https://www.linkedin.com/in/tareq-aziz/**

I. Objective

Aspiring entry-level frontend developer skilled in modern web technologies and passionate about creating excellent user experiences. Seeking an opportunity to leverage my skills in HTML, CSS, and JavaScript to contribute to innovative web projects at a dynamic organization. Dedicated to enhancing website functionality and performance while staying current with the latest industry trends.

II. Education

Self-Taught Web Development

YouTube and Online Resources

During my learning journey, I acquired a strong foundation in web development. I was involved in various projects that required the application of HTML, CSS, JavaScript, and other web technologies.

III. Professional Experience

Personal Portfolio Website
- Created using HTML, CSS, and JavaScript to showcase my web development skills.

To-Do List Application
- Built a functional to-do list app with JavaScript, featuring task management and local storage.

Weather App
- Developed a weather app using HTML, CSS, JavaScript, and a weather API to display real-time data.

Technical Skills Developed:
- Proficiency in HTML, CSS, JavaScript
- API integration
- Responsive design principles

IV. Skills

- Web Technologies: HTML, CSS, JavaScript
- Frameworks: React, Angular
- Version Control Systems: Git, GitHub
- Development Tools: Visual Studio Code, Sublime Text
- Other Skills: Responsive Design, Cross-Browser Compatibility, Problem-Solving, Communication

V. Projects

Personal Portfolio Website

Description:
- Developed a responsive portfolio website using HTML, CSS, and JavaScript.
- Showcases my web development projects and skills with an interactive design and dynamic contact form.

VI. Extracurricular Activities

Code Club

Description:

Actively participated in the Code Club, organizing coding workshops and mentoring junior members. Developed coding challenges to enhance problem-solving skills among members.

VII. Personal Interests

I am passionate about continuous learning and often engage in online courses and tutorials to keep up with the latest web development trends. In my free time, I enjoy contributing to open-source projects and exploring new tools and technologies in the web development landscape.

Additionally, I am an active member of several coding communities and enjoy participating in hackathons and coding challenges, which allow me to connect with fellow developers and expand my professional network.
